

International Federation of Societies for Histochemistry and Cytochemistry

IFSHC AWARDS

DAVID GLICK LECTURESHIP

The David Glick Lecture, established in 1982 by an anonymous donation, will be presented at each International Congress of Histochemistry and Cytochemistry in recognition of the contributions of David Glick. The Lecturer selected should be a prominent histochemist or cytochemist, who will be granted travel expenses, a cash honorarium and a scroll or certificate to mark the award.

Year	Lecturer	Congress	Title
1984	David Glick	Helsinki, Finland	"Fifty years of histochemistry and cytochemistry."
1988	Paul Nakane	Washington DC, USA	"Varied use of enzyme-labelled antibodies."
1992	Sam Spicer	Maastricht, Netherlands	"Contributions of histochemistry in raising questions and answering some."
1996	Jan-Willem Slot	Kyoto, Japan	"Immuno-gold and ultracryotomy. A perfect match over 15 Years."
2000	Morris Karnovsky	York, UK	"A perennial fascination with the cytochemistry or reactive oxygen species: leucocytes and osteocytes as examples."
2004	Roger Tsien	San Diego, USA	"Breeding Molecules to Spy on Cells"
2008	C.J.F. (Ron) van Noorden	Gdansk, Poland	"Metabolic mapping."
2012	Moïse Bendayan	Kyoto, Japan	"Gastric leptin: from immunocytochemistry to clinical application."
2012	Jennifer Lippincott-Schwartz	Kyoto, Japan	"Intracellular protein trafficking and live cell sorting."
2017	John R. Couchman	Antalya, Turkey	"Syndecans: receptors with signalling functions and roles in cell adhesion and disease "

PIETER VAN DUIJN LECTURESHIP

1996	C.J.F. (Ron) van Noorden	Kyoto, Japan	"Kinetic parameters of enzymes <i>in situ</i> ."
2000	Fred Bosnan	York, UK	"From form to function: how histochemistry changed into pathology".

PAUL NAKANE PRIZE

'Paul Nakane Prize' in Histochemistry and Cytochemistry will be conferred at every quadrennial international congress. The prize is intended to be a lifetime achievement award that is presented to an individual who has shown outstanding international leadership to advancing the fields of histochemistry and cytochemistry. The prize includes a plaque and \$ 1500 honorarium.

2004	Paul Nakane	San Diego, USA
2008	Denis Baskin	Gdansk, Poland
2008	William Stahl	Gdansk, Poland
2012	Robert Y. Osamura	Kyoto, Japan
2017	Serap Arbak	Antalya, Turkey
2017	Toyoshi Fujimoto	Antalya, Turkey

YOUNG HISTOCHEMISTS AWARDS

In every international congress, each member society of IFSHC could nominate one young scientist among their young members of under the age of 35 for 'Young Histochemist Award'. The Young Histochemists will receive free registration and accommodation in addition to a cash travel award to help cover in part the cost of airfare.
